- 3. Office Relocation**
- 4. Storage Facilities**

We take pride in our dedication to leaving customers satisfied. We are the best Kenyan moving company.

At Dasambi Movers, we promise to work hard to alleviate your concerns by answering any questions and eliminating any doubts that you might have about our work. You'll be able to regard our Company as trustworthy, Professional, Dependable before leaving the rest to our capable and safe hands.

Moving a household requires time, planning and organization why not let Dasambi movers take care of all details?

Our organized and efficient relocation consultants have experience in relocating house holds of every size. That is why we provide in house binding estimates where a company representative can address all your questions and concerns.

## Dasambi movers has the right choice for you for the following reasons:

1. An affordable and trustworthy alternative to offer more expensively Kenya moving companies
2. A free on binding estimate that will address all your relocation needs email or call us to verify the minimum requirement for this service.
3. Honest, experienced and reliable staff.
4. Extensive experience moving fragile such as fine arts or antiques and cargo items including pianos.
5. Dismantling and reassembly of house hold items including furniture e.g. beds etc (our staff supplies all the tools.)
6. Upon arrival to your new home we will present your belongings in the room by your request.

## Transportation to your new home

We have covered/lockable moving trucks for safe transit of your goods, they are kept in good condition and are always clean and also have a tail-lift for easier loading of heavy items such as; pianos, cookers, fridge, washing machines, e.t.c

1. We also come with packaging materials of the highest quality which includes; branded boxes, wardrobe boxes, white paper, corrugated paper, blankets, and padding materials.
2. We will pack all the small items in our branded boxes and label them to avoid any mix-up on the other side. We will load them into our trucks and transport to the next place.
3. We will also unpack and arrange your house

## Office Moving

Is your company planning a move? Planning and management are two of the most important aspects of an office move. Our experience has shown that having a dedicated office moving specialist as well as an office moving team has served our customers well as we assist you in all aspects of your move.

## Corporate Moving

Dasambi moving storage provides comprehensive moving services.

We are familiar with the special requirements of commercial moves and we are ready to serve you 24 hrs a day, 7 days a week.

We can move you at night, over the weekend or on a holiday. We also unpack and setup your office in the new location according to your floor plan.

With our full service commercial relocation you could open the doors to your new location the very next business day without losing even an hour at work.

## Long Distance Move

1. If you are planning a long distance move, contact us today for an estimate. We are happy to be your partner in setting up your new life.

2. We pack a day before we move you so that on the moving day we only load in the truck early enough so as to save time
